Class Poem

Our sponsor is Mr. Thompson
He's helped us greatly and is lots of fun,
No better one can you find
So we want to thank him for being so very kind.

Gary Brinneman is a handsome lad
And for his athletic skills we're so glad;
He's one who could put pep into pepper
And he has many a reason to be a pretty high stepper.

Dudley Campbell is liked by all
He's oh so quiet and very tall;
The girls would like to ruffle his curly hair
But with Dud, they wouldn't dare!

A stenographer, this gal will be
Patricia Gentis will succeed, you just wait and see.
She is small and very sweet
And with us, she just can't be beat.

Agatha Highley with pretty hair of brown
Whose face is never dimmed by a frown,
She has a personality that is very sweet
And we think she is pretty slick and neat.

Kathron Hudson comes next in line
She makes of her life a happy time,
She's as friendly as can be
And just as busy as a bee.

Diets is the speciality of this girl
Yes, it's Esther Pugh with the poodle curl,
She may seem quiet, even to her mother
But to us, "Oh Brother!"

Martha Shaw is very smart
And to Paul, she has given her heart.
She's very polite to us all
An always ready to help at our beck and call.

Myrtie Sullivan is a gay carefree gal
To her friends she is a swell pal,
She is nice and a very pretty lass
And was voted the wittiest in our class.

The life of our class is Jeanette Thorne
She has pep and vigor in many a form,
She's ready to help us anytime we ask
And to her, it is never a task.

I, Doris Detamore, have tried to write this poem
For your enjoyment and to keep in your home;
To give you a few of the Senior personalities
And to give you the true realities.

Class Prophecy

(1963)

It was snowing heavily outside and I had just curled up in the easy chair to enjoy a good book which I could only read after the children were tucked in bed.

Susan and Joe, Jr. had been in bed for almost an hour now and Joe had gone to town to bowl with some old school buddies.

I had just found my place in the novel and had read only a few words when the shrill ringing of the doorbell jarred me back to reality.

I was most surprised to see an old school mate of mine, Kathron Hudson, loaded down with luggage. After the first moment of surprise had vanished, I invited her inside and immediately we began to talk about old times and ask each other about others whom we had not seen for sometime.

Kathron told me she was on her way home from overseas where she had entertained the troops in Korea. Her stage name was Lily Pond and she had spent several years on the stage. While she was overseas it seems that she was singing for a group of soldiers in the PX and just as she was finishing her first song an orderly came up with a note which read: "Hello Lily, I know you will be surprised to receive this but I couldn't let you leave the Post without requesting one of my favorites, "Back Home Again in Indiana." Will you please sing it for me? Signed, Dudley Campbell. It couldn't just be coincidence - the name and the song, so I did sing the song as my last number and immediately hurried to visit with the sender. Sure enough it was Jefferson's Dudley and he had been working in the PX since his arrival in Korea. No doubt his training in the ice cream room at Jefferson paved the way for this assignment!

I asked if Kathron had seen Jeanette and Charlie Lee lately. No, she said she hadn't but the last time she received a letter from Jeanette they were operating a chicken ranch out west.

We talked and chattered so fast and furiously that I expected to hear Susan come pattering downstairs with her big Teddy Bear, Jeffersonian, which was manufactured in Indianapolis in the factory owned by Martha and Paul Harrold. Martha was the Business Manager, of course.

We chuckled together about the old days at Jefferson when Myrtle and Gary were having their little day by day spats! It seems, they are still both very temperamental. They have formed one of the best dance teams in the country but never have married. They couldn't get along long enough to get a license and get to a minister before a disagreement.

Last winter Kathron had spent some time in Miami and while there she stayed in a fashionable Hotel run by Agatha Highley and Pat Gentis. They were really in the money and thoroughly enjoying the heavenly sunshine in Florida.

We discovered that we had accounted for all of our classmates except Esther. Upon graduation, she had attended a Bible Seminary and perhaps, by now, has put in several years in foreign missionary work.

We heard the car drive in the garage and presently Joe would be coming in the house. Who is Joe? The husband of the writer of this Prophecy - the former Doris Detamore.

Class History

In the year of 1941, there were 14 uneducated little folks who went to Mrs. Stech to start their learning in the first grade. Included in those were Gary Brinneman, Martha Shaw, Jeanette Thorne, Agatha Highley, Doris Detamore, Arthur Bollhofer, Wayne Barnes, Linda Hodson, Frances Beady, Joyce Rheams, James Dickey, Herbert Nichols, Martha Cross and Hester Whiteman. Those starting and finishing their 12 years of education at good 'ole Jefferson are Gary Brinneman, Martha Shaw, Jeanette Thorne, Agatha Highley and Doris Detamore.

We moved on to the second grade gaining two new students who were Morgan Thornburg and August Loftis. Linda Hodson moved away.

We were promoted to the third grade so we moved into the next room. Miss Vilna Smith was our new teacher. We gained four new students and they were Kathron Hudson, Esther Pugh, Hester Whiteman, and Donna Keplinger. Those moving away were Frances Beady, James Dickey, Herbert Nichols and Lucretia Smith. In the fourth grade Larry Hanley came into our class and Arthur Bollhofer, Martha Cross, August Loftis, Joyce Rheams, Morgan Thornburg and Hester Whiteman left us.

As we kept "growing up" we advanced to the fifth grade with Mrs. Mary Armfield being our new teacher. Wayne Barnes and Donna Keplinger moved away. In the sixth grade Sarah Carvey and Daisy Bennett came, but Daisy Bennett moved away before the year was over.

AND THEN IT HAPPENED! We were finally on the high school side. And of course there wasn't anyone bigger than us until some of the Seniors and other upperclassmen changed our minds. Or did they ever change our minds?? Our sponsor for our Jr. High years was Mrs. Bonham. Lowell Crowe and Elwin Buck came during our 7th grade. Elwin Buck left at the end of our 7th grade year. Monet Coble and Barbara Cassel came and left in our eighth grade.

Then we found ourselves coming to school one day with everything on backwards, lipstick all over our faces, and anything else which would make us look like "green freshmen". WE WERE IN HIGH SCHOOL! Mr. Thompson was our sponsor starting that year and has put up with us every since. We sponsored a skating party that year to raise a "Little money". We gained two new students, Dudley Campbell and Pat Boyer although Pat Boyer moved away before the year was over. Sarah Carvey and Larry Hanley also moved away after the end of the year.

When we became Sophmores it was our turn to initiate the Freshmen, which was an unforgettable experience. Patricia Gentis and Harry Ellis came into our class, but Harry was only with us a few months and then moved away. Lowell Crowe also moved away.

In our Junior year we sold Christmas cards, had charge of the ice cream store and pencil store, gave our play "MISS JIMMY" which was a great success and held a penny supper which also was a good success.

In our Senior year we gained one new student, Myrtie Sullivan. We worked in the ice cream store the first semester, gave our play "THE DAFFY DILLS" and started on our yearbook. We chose our class motto, "No Victory Without Labor"; our class colors, powder blue and silver; and our flower, the American Beauty Rose.

Now as we draw near the end of our 12 years of education we want to especially thank Mr. Thompson, our sponsor, for helping our class to be a success. Also we want to thank all of the other teachers who have helped us through our school years. Thanks again.

FRESHMAN CLASS

We the Freshman Class, of 1952-53 are started on our journey toward our senior year. The Sophomore Class had the pleasure of initiating us into high school. Miss Stephens was our sponsor at two class parties held at the school this year.

Dale Smith, Charles Shideler, Ralph Jarvis, Wilbur Wesco, and Charles Straw were members of the high school second team this year, Delbert Campbell was a student manager and Wanda DeHaven was a varsity yell leader.

We gained a new member this year, Paul Schoeff.

SOPHOMORE CLASS

Mrs. Stech started us out in the first grade and as we progressed through the years we have gained and lost members. Along with the one member we gained this year, Marilyn Joyce Faulk, we were unfortunate and lost five, Willodene Hudson, Sam Pugh, Janet Knight, Sue McClung and Alice June Gentis.

Upon the retirement of Mr. Rouch, as a teacher, and our sponsor, we secured Mr. Hefner, who is now our present sponsor.

JUNIOR CLASS

We the Juniors of 1952-1953 were a very busy bunch. We first had a scrap drive to make money. This was our very first money making project and thanks to the kind people of the community for their help we made some money. Next we sold Christmas cards to which we had a lot of help from the community. Between selling Christmas cards and Christmas we sponsored a Penny Supper. This was held on November 20. After Christmas we started working on our play. The play chosen was "Desperate Ambrose." We presented it on the night of March 27.

We also worked in the ice cream store at noons and sold concessions at the ball games during the second semester. This has been a very busy year for us.

We have 6 students who started school here in the first grade at Jefferson. They are: Patricia Wesco, Lamoine DeHaven, Harold Searles, Dean Smith, Peggy McCoy, and Jim Pinkerton.

We gained one new member, Patricia Pope and lost two students, Bill Yeiter and Peggy Ross.

Mrs. Hattie Bonham, our sponsor, has helped us very much this year in watching over us the Juniors of Jefferson.
